

High Point Food Truck Rodeo

July 24, 2021

On July 24, 2021, 4-8:30 pm will be the High Point Food Truck Rodeo on Church St in Downtown High Point.

This event is designed to bring awareness to small and local business as well as bring a free community event that appeals to all people in High Point.

There will be 12-15 food trucks, craft vendors, music and activities for children.

To make this event a success and to create a nice atmosphere that will keep folks coming back year after year we are offering sponsorship opportunities.

This is a great advertising opportunity and a chance to support local small business in the community.

In 2018 our two events brought over 6,000 people to the Mendenhall Transportation Terminal in downtown High Point and reached over 200,000 people on our social media pages.
